## Cleaner - 10023

### ABOUT THE COMPANY

*Sabina Gold & Silver Corp. is a well-financed Canadian precious metals company on track to become a mid-tier gold producer. The Company has a portfolio of properties in Canada at different stages of development. Our flagship project, the Back River Gold Project, is located in the western Kitikmeot Region of Nunavut. Through our Nunavut assets, Sabina is evolving from a successful exploration company to a developer. Sabina is listed on the Toronto Stock Exchange ("SBB").*

### ABOUT THE POSITION

The Cleaner is responsible for maintaining communal areas and sleeping quarters in a clean and tidy manner, in addition to ensuring site is in good order during crew changeover. The Cleaner maintains general knowledge of supply levels and communicates with superiors as needed working at a remote camp setting on a rotational basis (3x3).

### PRIMARY RESPONSIBILITIES

Reporting to the Supervisor, Site Services, duties will include (but are not limited to):

- Perform a variety of cleaning activities such as sweeping, mopping, dusting, and polishing of surfaces, dusting and vacuum carpeting/area rugs, draperies and upholstered furniture;
- Make beds, change sheets and distribute clean towels and toiletries;
- Wash, sort and fold laundry, stock linen closets and other supply areas;
- Clean, disinfect and polish kitchen and bathroom fixtures and appliances;
- Clean and disinfect public areas such as changing rooms and showers;
- Pick up debris and empty trash containers;
- Wash windows, walls and ceilings;
- Report and store lost and found items;
- The safe operation of equipment such as ATV's or Snow Mobiles to move cleaning products efficiently from cabins;
- Ensure all sleeping locations are cared for and inspected after each rotation turnover to comply with site standards;
- Notify superiors of any damages, deficits, and disturbances;
- Check stocking levels of all consumables in common areas and replace when appropriate. Provide individual cabins/units supplies as requested; and
- Adhere strictly to rules regarding health and safety and be aware of all company related practices.

### DESIRED QUALIFICATIONS

The successful candidate will have prior experience working in a remote camp setting with limited access to resources. Additionally, they will have:

- One (1) years of housekeeping, janitorial or commercial / industrial cleaning experience. Prior work at a mine site and/or remote location is preferred;
- Ability to move, lift and carry up to 50lbs and ability to walk up to (but not limited to) 5km daily;
- Completion of primary school, High school diploma is preferred; and
- Ability to comprehend, read, write and converse in functional English to ensure safe working conditions on site and in position.
