Crane Operator – 10030

ABOUT THE COMPANY

Sabina Gold & Silver Corp. is a well-financed Canadian precious metals company on track to become a mid-tier gold producer. The Company has a portfolio of properties in Canada at different stages of development. Our flagship project, the Back River Gold Project, is located in the western Kitikmeot Region of Nunavut. Through our Nunavut assets, Sabina is evolving from a successful exploration company to a developer. Sabina is listed on the Toronto Stock Exchange ("SBB").

ABOUT THE POSITION

The Crane Operator works in a remote camp setting on a 3x3 rotation and is responsible for ensuring the safe operation of mobile cranes. Reporting to the Supervisor, the Crane Operator will perform pre-operational & post-operational inspections of equipment, assist with regular maintenance of equipment, and ensure compliance of safety policies and procedures on site while maintaining effective communication through hand signals, radio, or other systems on site.

PRIMARY RESPONSIBILITIES

Reporting to the Supervisor, Earthworks, duties will include (but are not limited to):

- Perform safe operation of mobile cranes to move, position or place equipment and materials;
- Communicate clearly & effectively through the use of radio, hand signals, and/or other systems;
- Perform pre-operational and post-operational inspection of equipment to ensure safety & effective operation. This includes calculating crane capacities and weight to prepare for rigging and hoisting;
- Test, clean, lubricate, and assist in routine maintenance of equipment as necessary and document any maintenance/repair work needing to be completed. Advise supervisor of any deficiencies;
- Responsible to ensure and maintain adequate rigging supplies;
- Maintain a clean & clear workspace;
- Participate in safety toolbox talks and follow all site policies & procedures to ensure compliance; and
- Duties may include operating other machinery as required.

DESIRED QUALIFICATIONS

The successful candidate will have prior experience working in a remote camp setting with limited access to resources. Additionally, they will have:

- Five (5) years' crane operation experience in open pit or mining related industry required;
- Valid Crane Operator Certification required;
- Highschool diploma or equivalent required; and
- Valid drivers license required.

COMPENSATION AND BENEFITS

For informational purposes, the blended rate of pay for this is \$50 – 54.23 (based on prior experience) for 2184 scheduled hours in a work year. Competitive benefits and travel compensation will be discussed with the successful candidate.
