## Crane Operator - 10109

### ABOUT THE COMPANY

*Sabina Gold & Silver Corp. is a well-financed Canadian precious metals company on track to become a mid-tier gold producer. The Company has a portfolio of properties in Canada at different stages of development. Our flagship project, the Back River Gold Project, is located in the western Kitikmeot Region of Nunavut. Through our Nunavut assets, Sabina is evolving from a successful exploration company to a developer. Sabina is listed on the Toronto Stock Exchange ("SBB").*

### ABOUT THE POSITION

The Crane Operator works in a remote camp setting on a 3x3 rotation and is responsible for ensuring the safe operation of mobile cranes and other equipment as required. Reporting to the Supervisor, Construction, the Crane Operator will perform pre- operational & post-operational inspections of equipment, assist with regular maintenance of equipment, and ensure compliance of safety policies and procedures on site while maintaining effective communication through hand signals, radio, or other systems on site. The Crane Operator will aid with the overall construction activities as required to ensure the safe and efficient development of site operations.

### PRIMARY RESPONSIBILITIES

Reporting to the Supervisor, Construction or Designate, duties will include (but are not limited to):

- Perform safe operation of mobile cranes to move, position or place equipment and materials;
- Communicate clearly & effectively through the use of radio, hand signals, and/or other systems;
- Perform pre-operational and post-operational inspection of equipment to ensure safety & effective operation. This includes calculating crane capacities and weight to prepare for rigging and hoisting;
- The safe and efficient operation of other machinery as directed by the Supervisor;
- Assisting with construction related activities as required;
- Test, clean, lubricate, and assist in routine maintenance of equipment as necessary and document any maintenance/repair work needing to be completed. Advise supervisor of any deficiencies;
- Responsible to ensure and maintain adequate rigging supplies;
- Maintain a clean & clear workspace; and
- Participate in safety toolbox talks and follow all site policies & procedures to ensure compliance.

### DESIRED QUALIFICATIONS

The successful candidate will have prior experience working in a remote camp setting with limited access to resources. Additionally, they will have:

- Five (5) years' crane operation experience in open pit or mining related industry required;
- Valid Journeyperson Crane Operator Certification and Red Seal required;
- Highschool diploma or equivalent required; and
- Valid drivers license required.

### COMPENSATION AND BENEFITS

For informational purposes, the blended rate of pay for this role is \$65.62 for 2184 scheduled hours in a work year. Competitive benefits and travel compensation will be discussed with the successful candidate.

### APPLICATION AND CONTACT INFORMATION

To be considered for this opportunity, please email your resume to [employment@sabinagoldsilver.com](mailto:employment@sabinagoldsilver.com) using the reference number 10109 in the subject line.

Kitikmeot Inuit, Nunavut Inuit and Residents receive priority hiring consideration, if one these categories applies, please state it after the reference number in the subject line. We thank all for their interest but are only considering applicants with working rights in Canada.

The Sabina owed Back River Gold Project is a significant undertaking with contribution from both Sabina and valued Contractors. Although we appreciate your interested in working for Sabina directly; if you are not selected for employment with Sabina or we have no current work available that is suitable for your skill set, Sabina may share your application material with our contractors for positions that they are seeking to fill. If you do not want your resume shared, please indicate so in the subject line of your email and we will retain a copy of your application material for our internal records only.

We will retain application material on file for future vacancies (openings within 6-12 months) for consideration; however, you are encouraged to apply to any opening you may be suited for. If selected to move forward a member of our team will be in touch.

### CLOSING DATE

This posting will remain open until 12:00AM MST March 24, 2023 unless a suitable candidate is not found; however, we encourage interested applicants to submit their resumes ASAP in order to be considered.
