## Operator, Haul Truck - 10110

### ABOUT THE COMPANY

*Sabina Gold & Silver Corp. is a well-financed Canadian precious metals company on track to become a mid-tier gold producer. The Company has a portfolio of properties in Canada at different stages of development. Our flagship project, the Back River Gold Project, is located in the western Kitikmeot Region of Nunavut. Through our Nunavut assets, Sabina is evolving from a successful exploration company to a developer. Sabina is listed on the Toronto Stock Exchange ("SBB").*

### ABOUT THE POSITION

Working in a remote camp setting on a rotational (3x3) basis the Operator, Haul Truck is responsible for the operation of Haul Trucks ranging in size in a construction/mining environment to ensure the safe and efficient ongoing development of the Back River Project. The Operator, Haul Truck works with the construction team for the transportation of rock and other materials to meet project targets and deadlines to assist in the overall construction of roads and other site areas and reports to the Supervisor, Open Pit & Earthworks or designate.

### PRIMARY RESPONSIBILITIES

Reporting to the Supervisor, Open Pit & Earthworks, duties will include (but are not limited to):

- The safe and efficient operation of Haul Trucks in a construction and mining environment to transport materials and meet targets;
- Conduct pre-trip and post-trip walk around safety inspections of equipment and report any deficiencies to Supervisor;
- The overall maintenance of equipment to ensure good working condition, and reporting and logging maintenance concerns as required;
- Communicate effectively with team members via two-way radios, hand signals, and other required forms of communication;
- Participate in daily safety toolbox meetings to promote compliance to Sabina's safety policies and procedures;
- Operate in all types of weather, including rain, fog, and winter conditions; and
- Aid in other construction duties related to project development as assigned by the Supervisor.

### DESIRED QUALIFICATIONS

The successful candidate will have prior experience working in a remote camp setting with limited access to resources. Additionally, they will have:

- Prior experience operating heavy equipment, haul trucks, articulated dump trucks, or related equipment in construction or mining environment considered an asset;
- Valid driver's license preferred;
- High School Diploma or equivalent preferred; and
- Prior experience working in a remote setting with limited access to resources.

### COMPENSATION AND BENEFITS

For informational purposes, the blended rate of pay for this role is \$44.17 (based on prior experience) for 2184 scheduled hours in a work year. Competitive benefits and travel compensation will be discussed with the successful candidate.
