Treasurer - 10002

ABOUT THE COMPANY

"Sabina Gold & Silver Corp. is a well-financed Canadian precious metals company on track to become a mid-tier gold producer. The Company has a portfolio of properties in Canada at different stages of development. Our flagship project, the Back River Gold Project, is located in the western Kitikmeot Region of Nunavut. Through our Nunavut assets, Sabina is evolving from a successful exploration company to a developer. Sabina is listed on the Toronto Stock Exchange ("SBB")."

ABOUT THE POSITION

Based out of our Vancouver office, the Treasurer is responsible for planning, organizing, directing, controlling, and evaluating funding to ensure the successful delivery of corporate initiatives. This individual will develop and implement the financial policies and control systems with respect to the management and provisioning of corporate funds. Reporting to the VP & Chief Financial Officer, the Treasurer will establish appropriate and flexible performance standards with respect to funds and prepare various financial reports ensuring judicious oversight over corporate funding allocations.

PRIMARY RESPONSIBILITIES

Reporting to the VP & Chief Financial Officer, duties will include, but are not limited to:

- Develop and implement the financial policies, systems and procedures with respect to the Treasury function;
- Cash management activities including monitor investments of excess funds, implementation a foreign currency risk mitigation program, forecasting of cash requirements, and working capital management;
- Management of the project financing package including monitoring condition precedents to ensure timely access to funding;
- Preparation of annual consolidated budgets including initial development and refinement of methods;
- Submit periodic reports detailing the company's present financial situation and forecasting the coming quarter;
- Plan, administer and control budgets for projects, contracts, equipment and supplies;
- Make informed decisions on behalf of the company involving investments and stock;
- Notify and report to Executive concerning any trends that are critical to the organization's financial performance; and
- Assist in the preparation of financial statements, summaries, and other cost-benefit analyses and financial management reports.

DESIRED QUALIFICATIONS

The successful candidate will be based in Vancouver and have the ability to commute daily to the Vancouver Corporate office. Additionally, they will have:

- A minimum of ten (10) years of experience in accounting, budgeting, financial planning, and risk analysis;
- A Bachelor of Business Administration (BBA), with specialization in capital cost accounting. Preference for a Master of Business Administration (MBA);
- A professional designation consisting of a Chartered Professional Accounting (CPA), Chartered Financial Analyst (CFA), Chartered Investment Manager (CIM) or Certified Financial Planner (CFP) is required and;
- Strong experience with SAP is considered an asset.
